ELEVATE SUSTAINABILITY

Improving fuel efficiency benefits both consumers and the environment. The New Honda City provides the following fuel efficiency benefits:

Cost Savings

Less fuel consumption means more savings

Better fuel efficiency decreases carbon dioxide emissions

Optimizes the combustion process and reduces energy losses

22.2 KM

Based on UNR-101 Test Results

that will leave you feeling in control.

ELEVATE DRIVING CONFIDENCE

The New Honda City comes packed with advanced safety features that provide peace of mind on every journey—the Honda SENSING. It detects and takes action to avoid situations such as collisions, pedestrian injuries, and missed road signs. With features like collision mitigation braking, lane departure warning, and adaptive cruise control, Honda SENSING is designed to keep you and your passengers safe and protected at all times.

SENSING

CMBS

Collision Mitigation Braking System or CMBS helps to warn, mitigate collision, or lessen the collision.

ACC

The Adaptive Cruise Control or ACC is perfect for long drives as it lessens your fatigue by maintaining the distance based on the car in front of you, braking and accelerating as needed.

LKAS

Lane Keeping Assist System or LKAS keeps the vehicle at the center of the visible road lanes and in the best driving position as it guides you to follow the flow of the road.

LCDN

Lead Car Departure Notification System or LCDN keeps you informed by alerting when the car in front you has moved ahead from a standstill.

AHE

Auto High-Beam or AHB turns on automatically in dark environments and automatically adjust for oncoming traffic.

RDM with LDW

Road Departure Mitigation or RDM provides audible and visual warnings for lane swerving without signaling, while Lane Departure Warning or LDW alerts you when veering off course, helping prevent collisions.

519L of Cargo Space

ELEVATE SPACE

Enjoy 519L of cargo space-you'll have plenty of room to carry everything you need for your next adventure. Plus, a spacious and luxurious cabin that is designed for maximum comfort and convenience.

ELEVATE INNOVATION

Inside the newly designed interior, you'll find plush leather seats and an advanced infotainment system. Every detail is crafted to enhance your driving experience and make every trip more enjoyable.
