

ACCELERATE GREATNESS

When you're on the road to greatness, go at full-throttle with the All-New Honda Civic - now smarter than ever before.

The All-New Civic has enhanced technology designed for your safety on the road keeping you one step ahead of the game. It's styled to have a premium look and built for high-class performance, making you stand out amongst the crowd.

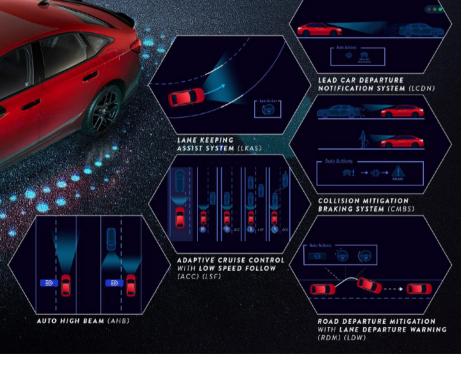

ACCELERATE INTELLIGENCE

SENSING

The All-New Civic has the improved Honda SENSING

 a collection of driver assistance and collision avoidance technologies to keep you safe and make driving more fun.

Honda made sure that you can perform at the highest level with the powerful VTEC turbo engine. The engine produces 178PS of power creating a smooth yet exhilarating drive allowing you to take over the road.
