THE EXECUTIVE SUITE

HONDA

THE NEW
ODYSSEY
THE EXECUTIVE SUITE

The New Odyssey to Luxury.

The New Odyssey: Honda's latest interpretation of luxurious motoring. An executive carrier that befits your stature. A vehicle that reflects your sophistication and gives you the ride you deserve. Your Odyssey to luxury begins here.

Welcome to the new Face of Luxury.

The New Odyssey has the looks that is worthy of everyone's attention. With a new fascia and distinctive touches, it is a vessel that projects absolute class.

NEW DARK CHROME FRONT GRILLE AND NEW AERO BUMPER DESIGN *

Powerful impression, a master class in design. Welcome to the new face of luxury.

17" ALLOY WHEELS *

Elegant grooves accentuate the body, giving the Odyssey an impressive stance.

LED HEADLIGHTS WITH LED DAYTIME RUNNING LIGHTS *

The LED headlights with dual projectors are brighter and 50% more efficient than conventional headlights. Optimum road visibility ensures a safer drive day and night.

LED FOG LIGHTS *

Improved illumination and enhanced visibility on the road during low lighting conditions.

Let the New Odyssey's well-appointed cabin invite you in. Leather-wrapped seats and soft-touch surfaces abound. Indeed, it is a space designed to spoil you, and allow you to experience utmost comfort.

Prestige & Luxury Within.

Be surrounded by luxurious features that make your journey more comfortable, more prestigious.

SUNROOF *

9-INCH REAR ENTERTAINMENT SYSTEM WITH HDMI AND DVD *

HOLDER *

CAPTAIN CRADLE SEATS WITH OTTOMAN *

The New Odyssey's ace: reclining, ergonomically redesigned leather seats to cradle you in. Keep the stresses of the road at bay.

In control, In style.

Finally, a luxury minivan you can also enjoy taking out for a drive. The experience is never heavy-handed-- it's smooth and suave, yet still precise and involving. The shiny, redesigned push start button prods you to begin your drive, while advanced driver-centric features offer control with a simple touch.

SMART ENTRY WITH PUSH START SYSTEM

Keep the key in your pocket and let yourself in, then simply press the gloss black push start button, and drive away.

7-INCH TOUCH SCREEN DISPLAY AUDIO WITH NAVIGATION *

Find your way easily and enjoy a myriad of connectivity and multimedia features.

TRIPLE-ZONE AUTOMATIC AIR-CONDITIONING SYSTEM *

Keep the cabin temperature perfect in all weather conditions for your utmost comfort.

LARGE ARMREST *

Conveniently positioned to help you reach the shifter and controls much easier.

8-WAY POWER DRIVER SEAT *

Find your own optimal seating position for comfort as you drive.

* For EX-V Navi only

Premium mobility done right.

The New Odyssey EX

The New Odyssey EX now sports the signature Aero Design, with a stunning Platinum Grille and new 16-inch Alloy Wheels. This stylish exterior is matched with a spacious interior that offers room for more occupants.

In the New Odyssey, convenience does not end in the ride and drive. Accessibility is at its highest level, thanks to its low step-in height and power sliding door that makes ingress easy, and stepping out a breeze.

The New Odyssey EX offers the same level of ride comfort, with room for 8 occupants. The journey to luxury just became more accommodating.

Luxurious Space in an Instant.

Luxury is also about having the space you need, when you need it. The New Odyssey boasts of **Fold Flat Magic Seats*** that allow cargo configurations for you to bring more for your journey.

* For EX-V Navi and EX

The Luxury of Safety.

The New Odyssey is designed to be safe at every turn. It has all the right features to keep everyone inside safe and sound.

MULTI-VIEW CAMERA SYSTEM*

Four cameras (front, left and right door mirrors, and rear) allow you to have a better view of the car while in motion, especially when backing into a parking spot.

SMART PARKING ASSIST SYSTEM (with new Sensor-Based, Back-In, Parallel-In and Parallel-Out feature)

Already a standard feature in the New Odyssey, it is now further improved with sensors to ensure safer and easier parking.

CROSS-TRAFFIC MONITOR* (CTM)

A nifty feature that emits an audible alarm as it detects any motion behind you while backing in.

BLIND SPOT INFORMATION* (BSI)

Notifies the driver if an approaching vehicle falls in to the driver's blind spot.

DRIVER AND FRONT PASSENGER, SIDE AND SIDE CURTAIN AIRBAGS

Travel safe and sound with 6 airbags that provide all passengers optimal protection.

ANTI-LOCK BRAKING SYSTEM (ABS) WITH ELECTRONIC BRAKE FORCE DISTRIBUTION (EBD)

The ABS helps the driver retain steering control during hard braking and the EBD system balances the front/ rear forces.

VEHICLE STABILITY ASSIST (VSA)

The VSA provides lateral skidding prevention and stabilized cornering.

HILL START ASSIST (HSA)

The HSA prevents the vehicle from rolling backwards when the brake is released on an incline.

EMERGENCY STOP SIGNAL (ESS)

The ESS automatically activates the hazard warning lights during hard braking to alert the drivers of trailing vehicles.

LED ACTIVE CORNERING LIGHTS*

For safer driving and parking at night, the vehicle is equipped with active cornering lights that enhance side-illumination when the vehicle is turning and parking.

* For EX-V Navi only

Power and Efficiency for every journey.

The New Odyssey is equipped with technology and systems that allow lower fuel consumption without compromising on performance.

EARTH DREAMS TECHNOLOGY

The Earth Dreams Technology 2.4-liter i-VTEC engine provides ample power and fuel efficiency. An ideal powerplant to keep you moving effortlessly.

CONTINUOUSLY VARIABLE TRANSMISSION (CVT)

Elevate your drive. CVT allows seamless surge of power across the rev range, and optimizes output to deliver notable fuel economy.

PADDLE SHIFTERS

Allows you to shift through gears for a more spirited drive.

ECO ASSIST SYSTEM

Honda's signature information system monitors your drive and provides feedback to help you adjust to a more fuel-efficient style.

ECON MODE

Optimizes throttle transmission and air-conditioning for better fuel economy at a press of a button.

IDLE STOP SYSTEM

Idle stop system automatically switches off the engine when the vehicle comes to a standstill, and restarts automatically when the brake is released – saving fuel and reducing emissions.

For optimum passenger comfort, the Odyssey features a cold-storage evaporator which maintains a comfortable temperature for occupants during auto idling-stop.
